**Transportation Agreement**

**Parent Drive-Own Student Only**

According to School District 279 policies, all students attending events and/or practices as a member of a school team or group are required to ride the district-provided transportation. As a convenience to our participants and/or their parents/guardians we will allow students to ride with their parents to and/or from a school-sponsored event in a privately owned vehicle subject to the following:

A release form signed by both student and parent(s) must be presented at least one day prior to event. A violation of the above regulation will result in a suspension from two events or two weeks, whichever is greater. A second violation will result in dismissal from the program.
